Rotterdam talk on

# The 2020 global sulphur limit

How the maritime industry is dealing with it

The Netherlands Leadership Committee have booked the Rotterdam Maritime Museum for **Thursday 08 March 2018** for a talk on how the maritime industry is dealing with the 2020 global sulphur limit.

We have invited a range of speakers from Dutch shipowners, to physical suppliers and refinery representatives, who will share with us how their organisations are preparing for 2020.

**The talk will start at 18.00hrs.**

Event overview

- Welcome and introduction
- Introduction on the main points introduced by the new legislation
- Discussion on how the maritime industry is gearing up to deal with it
- Q&A
- Networking drinks

There is a small charge to attend this event that is open to both members and non members. The charge includes drinks & snacks.

So book early to avoid disappointment.

Non Member Ticket: Euro20.00/£18.00

Member Ticket: Euro15.00/£14.00
