Students who are preparing for the Institute’s exams in May 2021 are invited to attend one or more of this Branch’s Revision Evenings to be held 19<sup>th</sup> – 23<sup>rd</sup> April. Because of the current Covid-19 restrictions, we are unable to hold this annual event at one of our usual venues in the City, so we are instead providing several evenings via “Zoom” to cover the 10 subjects which are most popular with our Branch’s examinees: IS, SB, SOM, EST, SSP, DCC, TC, LPS/SL, PA.

The first Revision Evening on 19<sup>th</sup> April will start with a session for approximately 45 minutes on exam techniques and tips, followed by approximately 90 minutes on IS (Introduction to Shipping).

Revision Evenings for the other subjects will be held for 1.5 hours each on 20<sup>th</sup> (SB & SOM), 21<sup>st</sup> (EST & SSP), 22<sup>nd</sup> (DCC & TC) and 23<sup>rd</sup> (LPS / SL & PA), all starting at 18:00 and 19:30 respectively. For mutual ease, please send your questions to us in advance.

The event is free to attend but please register before 12:00 on 19<sup>th</sup> April at [education@icslondonbranch.org.uk](mailto:education@icslondonbranch.org.uk), so that we can send you the link to join each Revision Evening and register you for your specific chosen subject(s).

The Branch also offers to all examinees our revision guidance via email on all those subjects ~ please let us know how best your Branch can help you !
