Invitation Annual Dinner 2021

Dear Member,

We hope you are alright and doing well and we are very happy that, after the long time of strict contact limitation rules, we now are allowed to host a face-to-face-event for you. This year we celebrate the 25th anniversary of the German Branch and therefore especially cordially invite you to our Annual Dinner. The still to be considered special hygiene rules might slightly change the usual form of the dinner, but you can be sure that the regulations in force at the time of the event will be observed. We will advise you of all important facts in time before the event.

As in the previous years the Annual General Meeting (AGM) of our branch will be held on the same day, prior to the Dinner. The invitation plus Agenda for the AGM will be sent out separately in due course. The AGM will be held in German.

Please note the details for AGM and Dinner as follows:
