Students who are preparing for the Institute's exams in May 2022 are invited to attend one or more of this Branch's Revision Evenings to be held 26th-28th April and 4th-5th May.

We continue to hold these revision sessions online so that students outside London can attend via "MS Teams" to cover the 10 subjects which are most popular with our Branch's examinees: IS, SB, SOM, EST, SSP, DCC, TC, LPS/SL, PA.

The first Revision Evening on 26th April will start with a session for 1.5 hours on exam techniques and tips, followed by 1.5 hours on IS.

Revision Evenings for the other subjects will be held for 1.5 hours each on 27th (SB & SOM), 28th (EST & SSP), 4th (DCC & TC) and 5th (LPS / SL & PA), all starting at 18:00 and 19:30 respectively. For mutual ease, please send your questions to us in advance, if you want us to discuss specific topics.

The event is free to attend but please register before 12:00 on 25th April through 'education@icslondonbranch.org.uk' so that we can send you the link to join each Revision Evening and register you for your specific chosen subject(s).

All examinees who have registered to attend our revision sessions, as above, can ask for help via email after those revision evenings to assist you to pass the exams in May.
